

# Year 3

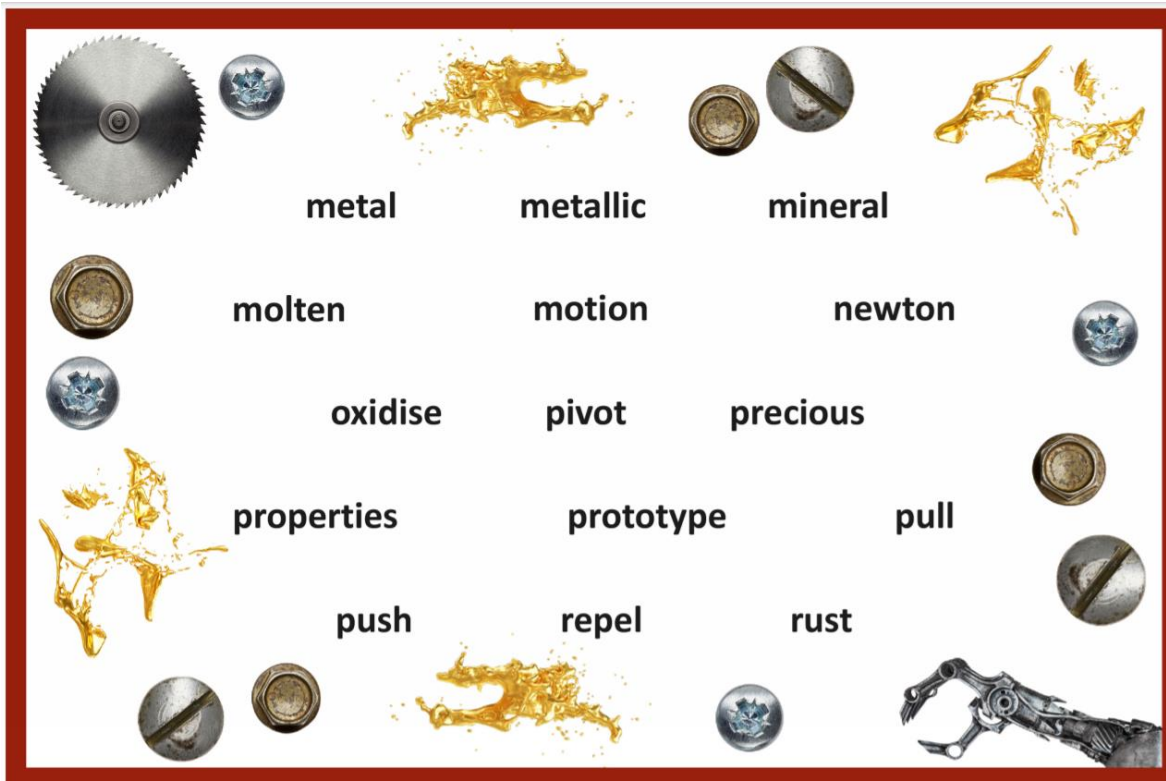

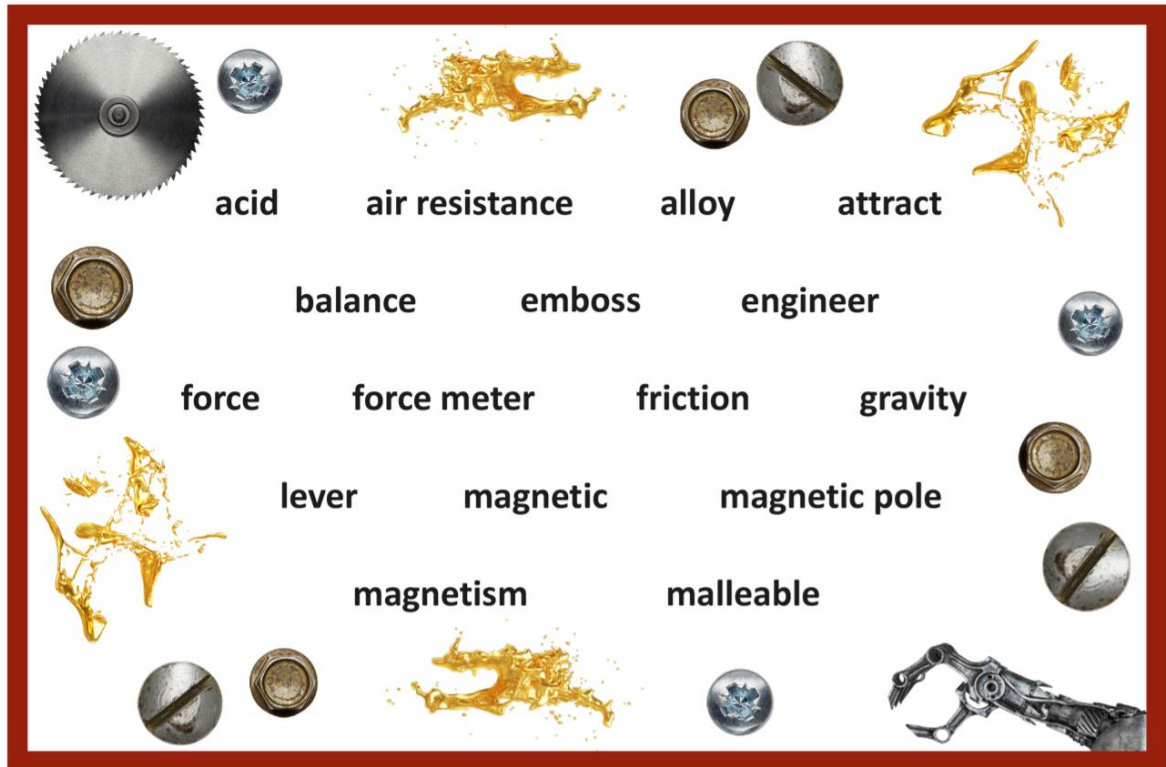

## Spring Term 2

### Mighty Metals

# VOCABULARY

*These words will help you with your learning in this topic.*

With Faith, Hope and Love we can  
achieve greater things

# Our Spring Term 2

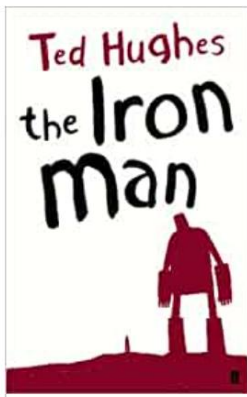

## Topic

## Mighty Metals

### Reading

### Writing

### Maths

We will be working on our reading fluency and looking carefully at the language used by the author. We'll be working on our retrieval and inference skills using our class texts as well!

#### Skills

- Capital letters, full stops and finger spaces.
- Handwriting
- Pre and post modifiers
- Co-ordinating and subordinating conjunctions
- Cohesive devices
- Inverted commas (punctuation for speech)

#### Genres

- Letter writing
- Adventure story
- Poems

#### Multiplication

- Multiply a 2-digit number by a single digit using a simple grid and progressing to SWM.
- Recall and use multiplication and division facts for the 3, 4 and 8 multiplication tables.
- Solve problems, including missing number problems.

#### Division

- Divide a 2-digit number by a single digit number using a simple grid and progressing to SWM.

#### Money

- Add (up to £100) and subtract amounts of money (to £10) to give change, using £ and P.

**Science** - In science we will be focusing on looking at the different properties of different metals. We will also be investigating which metals are durable.

### R.E

What do we celebrate and why?

(Easter & Vaisakhi)

### PSHE/Jigsaw

Dreams and Goals

To understand what our dreams and goals are for the future.

To understand how to stay motivated and positive when faced with challenges.
